

# The Old Cicestrian Canal Boat Cruise 2017

We are delighted to announce the return of a popular event organised by the Old Cicestrians Committee. It will be taking place from the Chichester Canal Basin on **Friday 6<sup>th</sup> October 2017 from 12.30pm** for a two-hour duration. We are particularly pleased to welcome our own Old Cicestrian guide Alan Green for this trip, he will be explaining the rich history of this section of the canal.

To quote from the Chichester Ship Canal brochure:

*“A beautiful accessible retreat close to the city sometimes described as the “green lung” of Chichester, certainly one of its key attractions!*

Chichester Ship Canal passes through 4 miles of open farmland from the Basin to Chichester Harbour at Birdham. It is a very attractive stretch of water for **rowing, canoeing, angling and walking.**”

We will be travelling on the ‘Richmond’ narrow boat that can cater for up to 32 guests. The trip will include lunch and a drink.

There is the choice of either:

- 1) A Ploughman’s Lunch – lunch of cheese & ham salad with tea, coffee, wine or beer
- 2) Fish and Chips – lunch includes fish and chips, tea, coffee, wine or beer.

The cost of the two hour guided tour inclusive of one of the above meals is £17.50p.

We very much look forward to meeting you (and partner) on the on ‘Richmond’ for this most enjoyable trip.

To join this trip simply complete the slip below and send it with a cheque made payable to:
