

# Celebrating 'CHSB 90'

The 'Old Cicestrians' invite you on **Saturday 20<sup>th</sup> October 2018** to celebrate 90 years since the foundation of Chichester High School for Boys in 1928

Next month it is 90 years since Chichester High School for Boys was founded and so the alumni association, The Old Cicestrians, with the support of Chichester High School, is organising a celebration and reunion open to all former students and staff and their partners on Saturday 20th October 2018 at the High School.

The day will begin with a fascinating audio-visual talk tracing the history and achievements of the school, its students and staff through nine decades. The first half will be presented by well-known actor, playwright and Old Boy **David Wood** followed by former teacher **Dave Smith** and other colleagues who taught at the school in more recent years. There will be displays of photographs and memorabilia and a celebration of the achievements of past students and tours of the present school.

After lunch, there will be displays of gymnastics in the **Tim Peake Centre** and by the School's award-winning Combined Cadet Force as well as a visit to the award-winning Chichester Planetarium (which is on the school site) with a talk about the Planetarium and Tim Peake by **Dr John Mason**, the Education Officer and Trustee, who himself attended the School, where his interest in space was sparked. There will also be plenty of opportunities to catch up with old friends and note how time has moved on since your first day in a green blazer!

The Old Cicestrians are keen to hear from all former students and staff whether they left last year or sixty years ago with the hope that as many as possible will attend. Please get in touch and tell us your memories and reminiscences to include in the presentation. Please also tell us about former students who have achieved something special. Perhaps Tim Peake, the astronaut, is the former student most in the public eye, but many others have achieved great things and made an impact at international, national and local level – we want to hear about it! Don't be shy!

If anyone has memorabilia, photographs or videos they could lend or allow to be copied, please get in touch. We hope to put attendees' names in the Booklet, but this goes to print on 17th September so please try and book by then. We will still take bookings after then, but they will not be included in the printed Booklet.

The cost for the day of £25 includes a sumptuous buffet lunch, hot and cold drinks throughout the day, the Commemorative Booklet and viewing all the displays and activities. The cost is being subsidised by Old Boys on the committee and generous donations from more recent Old Boys who run successful local businesses.
