

Summer Event

Visit to Fishbourne Roman Palace

Thursday 20 June 2024

Dear Old Cicestrian

This years' summer event will be a visit to Fishbourne Roman Palace (PO19 3QR) where we will be given an expert guided tour of the spectacular remains of the Palace of King Togidubnus which was discovered in 1960.

After the tour we will repair to the Bull's Head on Fishbourne Road (PO19 3JP) for lunch. A table has been booked but lunch is not included in the price so please make your choices and pay on the day. The menu can be viewed on their Website: bulls-head-fishbourne.co.uk
The Bulls Head also offers B&B for visitors from afar.

After lunch Alan Green will lead a stroll down to Fishbourne Creek on Chichester Harbour, the setting for Kate Mosse's *The Taxidermist's Daughter* which some of you may have read and/or seen at the Festival Theatre a few years ago

As always, this event is open to spouses and partners plus any guests you may like to bring along – particularly any Old Boys who might be persuaded to join the OCs!

The programme is as follows:

- 1030 Assemble in the Roman Palace café for coffee (payable individually on the day)
- 1100 Palace Tour (approx. 1 hour)
- 1200 Free time to explore further alone
- 1245 depart for The Bull's Head
- 1300 Lunch at The Bull's Head
- 1415 Stroll around Chichester Harbour then disperse

The cost of the day is £20 which includes admission to the palace and the guided tour.
